Foundations of College Success

1 The **Search** option provides access to all of the library's search tools.

Use the green search icon to find books, articles, or stream music and videos with **OneSearch.**

Use the yellow book icon to find materials in the library with the **library catalog**.

Use the blue disk icon to find journal articles using **article databases**.

2 Need help with something but don't want to leave your computer? Click the Help icon for a list of help options, including telephone, text, email, and chat.

3 Check here for an updated list of hours for Stewart and Davis libraries, University Archives, and Special Collections.

4 Learn how to navigate the library's resources and services including accessing your account, getting access to course reserves, and using interlibrary loan.
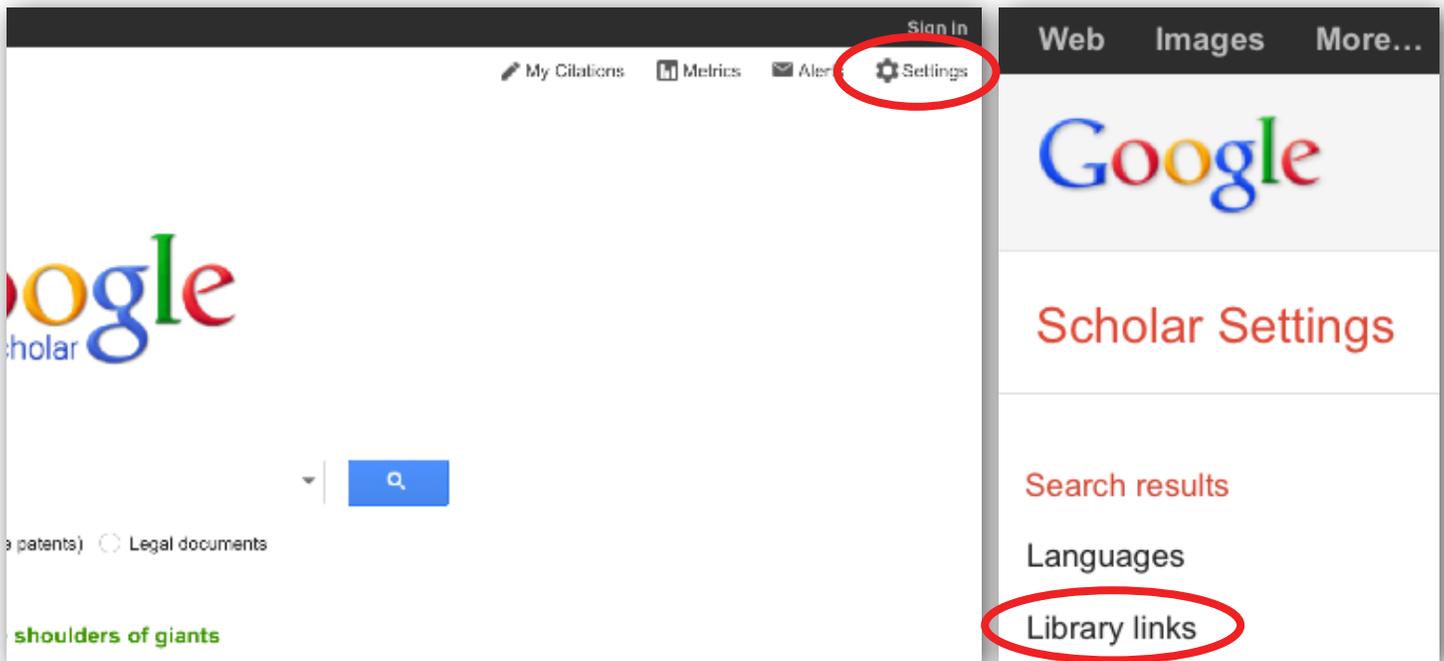

Use **Google Scholar** to search for articles that are full text from Stewart Library. Start at *scholar.google.com*. To the right of the search box, click on *Settings*. On the next screen, click on *Library links*. In the *Library links* box, type in Weber State and check boxes for WSU. Click *Save*.

Click on the link *Full-Text@My Library* in your search results. WSU Article Access will pop up. If the article is full text in one of our databases or in our print holdings, you'll see a link to the article (or to the catalog for print holdings). Enter your WSU user name and password when prompted. Be aware **Google Scholar** does NOT cover all of our databases!

Meet WSU's **Information Literacy Requirement** by taking a course. For more information see *library.weber.edu/ researchandteaching/information_literacy*

Printing: Print documents at the library using cash or Wild-card. B&W copies are five cents per side and color copies are 20 cents per side.

Scanning: Try our bookedge scanner, located next to the reference desk. You can save copies, scan to a USB drive, or email them to yourself directly from the scanner.

Large Format Printing: Print posters and large size documents on our large format printer. Ask at reference desk for details.

Always Evaluate!!
- **Who** wrote it?   (Author/authority)
- **What** sources were used?   (References/documentation)
- **When** was it published?   (Currency/Date)
- **Why** was it published?   (Objectivity/purpose/bias)
